

# 2019 German Youth Championships

<b>City</b>	Buchholz Sporthalle am Kattenberg Sprötzer Weg 33 21244 Buchholz
<b>Nation</b>	<b>Germany</b>
<b>Date</b>	<b>Jun 29, 2019 - Jun 30, 2019</b>
<b>Participation</b>	Participation is only allowed for athletes which are members of a club of organizing country. (f.ex. Swedish club membership of the athlete and the tournament is organized from Sweden). The number of participants is unlimited.

Wheelchair fencers welcome

Eligible to start are all healthy athletes (the Sporttauglichkeitsbescheinigung must not be older than 12 months!) Members of clubs (and start groups) of the national associations of the DBS, the affiliated professional associations of the DBS (if they do not own German Championships), and the members of the invited foreign disabled sports associations, Persons who, in addition to their disability, suffer from diseases that can be aggravated by competitive sports are excluded from participating in German Championships. Et al This is usually true for persons who have implants (e.g., artificial joints, cardiac pacemakers, etc.), or e.g. have survived a heart attack. Exceptions are to be approved by the DBS-Verbandarzt before the registration for the German Championship (this applies regardless of the doctor's certificate of fitness by the attending physician, which - as already mentioned above - may not be older than 12 months.) Details are the paper on the performance sport suitability of the DBS refer to). For all athletes from the area of the DBS and its affiliated professional associations, the club registered for the championship will be registered for the start authorization

<b>Classification</b>	Priority is given to international classification. If there is a difference between international and national classification, international classification always applies. A change in the international classification will only be accepted if it has been made by the approved classifier and confirmed in writing. The change of an international classification will only be accepted, when two approved national classifiers have done a reclassification and the athlete will not start internationally anymore. If no international classification is available, the national classification counts. Only classified athletes are eligible to start (see classification list)! Athletes who are not included in the official classification list can be reported. For the classification it is necessary to show an identification, the athlete form ( <a href="https://www.dbs-npc.de/downloads-1128.html">https://www.dbs-npc.de/downloads-1128.html</a> ), a medical diagnostic form - which may be completed in German ( <a href="http://iwaf.com/iwaf/index.cfm/sports/iwaf-wheelchair-fencing/classification1/">http://iwaf.com/iwaf/index.cfm/sports/iwaf-wheelchair-fencing/classification1/</a> ), medical documents which explain the diagnosis, as well as to bring the fencing chair, a weapon and all assisting equipment. Fencers under 18 years have to be accompanied by a parent, coach, Physio, ... seinen Klassifizierer vorgenommen und schriftlich bestätigt wurde. Liegt keine internationale Klassifizierung vor, so gilt die nationale Klassifizierung des zuständigen DBS-Verbandsarztes. Nur klassifizierte SportlerInnen sind startberechtigt (vgl. Klassifizierungsliste)! SportlerInnen, die nicht in der offiziellen Klassifizierungsliste enthalten sind können gemeldet werden, wenn der Meldung ein komplett ausgefüllter funktioneller Untersuchungsbogen des DBS (vgl. Abschnitt F.1.1 im DBS - Handbuch) beigelegt wird.

Restriction of the walking machine after consultation with the Federation doctor.

**Liability** The DBS and its organs are liable for damages only within the limits and extent of the available liability insurance cover. The liability for further damages is expressly excluded. The concluded insurance contract can be viewed at any time at the DBS office. Claims under the sports accident insurance contracts of Landessportbünde / DBS are not affected by this limitation of liability.

**Jurisdiction**

1. Protests during the event must be submitted in writing to the Competition / Arbitration Tribunal in writing with a statement by the team leader or the athlete concerned. The protest must be submitted no later than 30 minutes after the announcement of a protest. With the submission of the protest a protest fee in the amount of € 50.00 is to be deposited. The protest fee will be refunded if the protest is granted.
2. A protest can be lodged against the decision of the fighting / arbitral tribunal with the responsible departmental committee. The protest must be submitted in writing to the office of the DBS within 48 hours after the end of the event. It is the postmark. The protest fee of € 100.00 is to be attached to this opposition in the form of a crossed check. The protest fee will be refunded if the protest is granted.
3. The further procedure is governed by the legal system.
4. If the reason for the protest becomes known only after the end of the event, the protest must be

submitted in writing 48 hours after the end of the event to the responsible departmental board via the DBS office. With the submission of the protest a protest fee in the amount of 75,00 € in the form of a cross check is to be attached. The protest fee will be refunded if the protest is granted.

#### **Anti Doping**

Each participant is responsible for timely applying for a Therapeutic Use Exemption (TUE) for the therapeutically necessary intake of doping-relevant drugs that are on the current WADA Prohibited List and to provide a copy of a valid TUE / valid certificate during a doping control : - For athletes without test pool affiliation: Provide proof of medically prescribed drugs and their intake (medical certificate with diagnosis (s) in copy not older than 12 months!), - For athletes in the NADA test pool (ATP, NTP or RTP) applies: the use of prohibited, but therapeutically necessary drugs is by a valid med. Proof of exception (TUE). The NADA Medicinal Products Database provides information on the drug's drug-related relevance at [www.nadamed.de](http://www.nadamed.de) Further information on the TUE procedure can be found at [www.nada.de](http://www.nada.de) and at [www.dbs-npc.de](http://www.dbs-npc.de) (Anti-Doping section). In case of doubt, please contact the responsible DBS sports physician or the unit medicine / anti-doping in the DBS.

#### **Image / TV rights**

By registering for this event, the participants consent to the publication of their portraits. The consent expressly includes all publications in media and presentations of the German wheelchair sports association e.V., the German Disabled Sports Association and its national associations.

#### **Medical**

By submitting the message, the clubs and start groups guarantee the competitiveness of the registered participants. All registered participants must be in possession of a valid sports health and starting pass. The Sport Health Passes must be handed in before the beginning of the event in the competition office for the purpose of examination. The last medical examination date in the Sport Health Pass must not be older than 12 months (calculated from the last day of the respective event). For participants who do not fulfill this condition, there is no right to start. Foreign participants must submit an appropriate medical admission to their national disabled sports federation or the international start pass.

#### **Awards**

With 4 or more participants gold, silver and bronze medals are awarded. 3 participants will be awarded gold and silver medals. With 2 participants, only the gold medal will be awarded. The respective gold medal winner will be awarded the title "German Champion", "German Youth Champion" or "German Youth Best (r)". Certificates are awarded to half of the participants in a class, but not more than 8 documents per class.
