Remarks **REQUIREMENTS**
Candidates who wish to become accredited National Classifiers and undertake further training for International Accreditation, must have the following education/professional requirements:

- must be a certified health professional eg, Physiotherapists, Medical Practitioners, persons with sports science or medical/biological degrees

or

- must be persons with a technical knowledge of the sport who are no longer involved in an international level with a national team, eg coaches or retired international athletes.

Other interested persons may take the course for their own information or to become National Accredited classifiers only.

All participants have to send their CV, a cover letter and a support letter from their national federation via email until the entry deadline to:

- IWAS Office: wheelchairfencing@iwasf.com
- Head of classification: wfclassification@iwasf.com

COURSE CONTENT

The course is designed to inform and guide trainees through the process and understanding of wheelchair Fencing classification. Practical sessions will demonstrate the techniques and approach taken. Participants will observe and take part in classification of athletes and observation of athletes during competition.

ASSESSMENT

Trainees will be assessed on their competency and understanding and will take a written examination as well as any oral questioning deemed necessary. Where appropriate trainees will be awarded a certificate for a National Accredited Classifier, or once the international standards and experience have been achieved, International Accredited Classifier Status will be awarded.

VISA

If any participant needs to apply for visa, please follow the instructions for the visa application process on the following link:
